

# User Evaluation of Toolkit

**MRSA Toolkit for Childcare Facilities:** This toolkit has been designed to provide educational tools necessary to help prevent and stop or reduce the spread of Methicillin resistant Staphylococcus aureus (MRSA) skin infections in childcare programs.

By completing this survey, you will help ensure that these materials best serve you, fellow childcare professionals and the children.

1. Please rate each of the toolkit materials listed below on usefulness in helping you deal with MRSA in your childcare. If you have not used the specific toolkit item, please indicate.

	Not Useful	Somewhat Useful	Very Useful	Extremely Useful	Not Used
<b>MRSA Quiz</b>					
<b>PowerPoint Presentation on MRSA</b>					
<b>Rules &amp; Regulations</b>					
<b>Brochure</b>					
<b>What to Do About MRSA handout</b>					
<b>What Parents Need to Know handout</b>					
<b>Hand Washing Posters</b>					
<b>Cleaning and Sanitizing Guidelines</b>					

2. Consider the individual toolkit item that was most useful, and explain why it is useful.

---

---

---

---

3. Consider the individual toolkit item that was least useful, and explain why it is **not** useful.

---

---

---

---

4. Did the staff education materials included in the toolkit fully address all the MRSA-related issues important to your staff?  
 Yes  No

If no, please describe any additional MRSA education materials for staff that you think the toolkit should include, or how the materials developed should be changed.

---

---

---

---

5. Have you used any parent educational materials from the toolkit in your facility?  
 Yes  No

If yes, is there anything that you think we should add or delete or do differently with the parent educational materials?

---

---

---

---

**Thank you for taking time to complete this evaluation. Please mail or fax completed surveys to:**
