

## RECYCLING GUIDE

### Metal and Glass

#### RECYCLE:

- All metals
- Glass jars
- Glass bottles

#### NOT ACCEPTED:

- Light bulbs
- Flower vases
- Drinking glasses
- Window glass

*Empty aerosol containers, discard lids and rinse containers.*

### Paper and Cardboard

#### RECYCLE:

- Newspapers
- Cereal boxes
- Magazines
- Office paper
- Phone books
- Cardboard
- Junk mail

#### NOT ACCEPTED:

- Paper towels
- Pet food bags
- Wax-coated boxes
- Foil wrapping paper

*Cut down on junk mail by visiting the junk mail opt out program.*

### Plastics

#### LOOK FOR THE NUMBER:

Most recyclers accept #1 and #2 plastics. Check with your local Solid Waste District to learn more.

*Discard lids and rinse containers.*

### Electronics

Electronic devices can contain toxic chemicals. Take them to a recycling service where they can be reused or broken down into reusable parts.

### Yard Waste and Composting

Keep yard waste out of landfills. Call your local waste hauler to check on pick up schedules.

NOT ACCEPTED:

- Pet waste
- Stumps
- Branches more than 4" thick or 36" long
- Plastic flower pots

*Composting can dramatically reduce the volume of material a household sends to a landfill.*
